## MEMBERSHIP APPLICATION

The Gulf Coast Business Council is the strong and united voice of business on public policy issues of importance to the MS Gulf Coast Region. Through leadership and collaboration on targeted strategic issues, it will promote and advance the economic vitality and quality of life of our region.

The Gulf Coast Business Council (GCBC) is an umbrella organization made up of the **top business leaders** in the three coastal counties along with member organizations initially including the Hancock, Harrison and Jackson County Chambers, and Partners for Stennis. These individual groups will continue their county/local programs of work benefiting their membership and communities. The county Councils of Government will be adjunct member organizations. The executive directors of the Gulfport-Biloxi Regional Airport Authority, the three county economic development organizations, the State Port Authority at Gulfport, Jackson County Port Authority, Hancock County Port & Harbor Commission, the director of Stennis Space Center, and the coast military base commanders are among those holding board positions.

This organization has succeeded with its regional agenda because of its focus on public policy and other strategic issues, its assemblage of the top business leaders in the three coastal counties as its board members, its action orientation, and its high caliber and professional staff to help guide its efforts.

The Gulf Coast Business Council is recognized as the **voice of business for the Mississippi Gulf Coast Region**.
